

CLASS NEWS

Ms. Shikany • September 8th- 11th

WHAT WE WORKED ON

- Large and small motor skills
- Using scissors safely
- Social and emotional skills
- Recognizing the first letter of our name
- Learning classroom rules and expectations

NOTE FROM THE TEACHER

We had such a fun week getting to know each other and learning our friend's names! Everyone did such a great job wearing their masks, washing their hands, and following directions. Please reach out if you have any questions or concerns!

As long as the air quality remains poor we will stay inside during our recess time. I'm hoping we can return to outside recess next week when the air quality is supposed to improve.
