

CLASS NEWS

October 12th-15th

Learning Focus

Students will be able to identify and recognize the letter “T”. Students will be able to identify and describe an object’s position using *in back, in front, on top, on the bottom, or in the middle.*

A friendly reminder that there will be **no school** tomorrow (10/16).

This Week

Thank you for your flexibility this week as we dealt with the power outage at school. The class had so much fun celebrating their first Moveathon! I feel incredibly lucky and blessed to be their teacher.

Upcoming Dates

Monday, November 9th – No School (Veteran’s Day Observed)
