

CLASS NEWS

9/28-10/2

Learning Focus

The letter of the week was “S”. Students will be able to compare objects and describe how they are alike and different. Students will also be able to sort objects by one attribute.

Next weekend is Liam’s birthday! On Friday, 10/9 we will wear costumes at school to help celebrate Liam’s birthday!

This Week

We had so much fun making “apple stamp” crafts and making colors explode outside. Everyone has enjoyed working on their handwriting book and has loved having the opportunity to write their name.
