

Ms. Shikany's WEEKLY NEWSLETTER

LEARNING FOCUS

Students will be able to identify and recognize the letter "E". Students will be able to sort objects by color. Students will be able to arrange objects from shortest to tallest.

Everyone rocked their STAR testing. We will do one more STAR test in the spring and then I will meet with you to discuss scores.

DATES TO REMEMBER

February 12th – No School

February 15th-19th – Mid-Winter Break

THIS WEEK

We had fun creating "fake snow" as our science experiment this past week. Everyone enjoyed making snowmen with their names. We also loved learning about Dr. Martin Luther King Jr. and how his super power was love.
