

Ms. Shikany's WEEKLY NEWSLETTER

LEARNING FOCUS

Students will be able to identify and recognize the letter "l".

Students will be able to identify measurable attributes of objects, such as length or weight, and describe them using appropriate vocabulary (small, big, short, tall, empty, full, heavy, light).

Please drop off your PK student before 8:30am.

Drop off is from 8:20-8:30am.

THIS WEEK

Science this week focused on the butterfly life cycle; we are very excited that some caterpillars will be joining our class Monday and we'll have the opportunity to watch them grow. Tito will be joining our class Monday as well. Welcome Tito!

DATES TO REMEMBER

Spring Break – April 5th- 9th
