

Ms. Shikany's WEEKLY NEWSLETTER

LEARNING FOCUS

Students will be able to identify and recognize the letter "R". Students will be able to recognize whether the number of objects in one group is more than, less than, or equal to the number of objects in another group.

A new friend will be joining us next week!
Please welcome
Harrison to our class!

DATES TO REMEMBER

Friday, February 12th – No School

THIS WEEK

This week we planted tomato seeds and discussed the plant life cycle for Science. We also had our first week of morning recess on the playground. Our class created a leprechaun trap, and we began to discuss St. Patrick's Day.
