

Ms. Shikany's WEEKLY NEWSLETTER

LEARNING FOCUS

Students will be able to identify and recognize the letter "W". Students will be able to sort objects and shapes into categories; and count the objects in each category.

Please make sure your student can open their snack/lunch independently.

DATES TO REMEMBER

Spring Break – April 5th-9th

THIS WEEK

This week we created boats, predicted if they would sink or float, and tested our hypothesis for Science. We have loved watching our caterpillars grow and are hoping they change into a chrysalis over the weekend.
