LEARNING FOCUS

Students will be able to identify and recognize the letter "Q". Students will be able to duplicate and extend simple patterns using concrete objects.

Wednesday, March 17th will be a "green" free dress day to celebrate St. Patrick's day!

DATES TO REMEMBER

Friday, March 12th – No School

THIS WEEK

This week we discussed St. Patrick's Day and the significance of the four-leaf clover. For science we made slime. We had so much fun welcoming Harrison to our classroom! As we transition to Spring, please try to send your PK student to school in tennis shoes instead of boots.
