

Ms. Shikany's

# WEEKLY NEWSLETTER

## LEARNING FOCUS

Students will be able to identify and recognize the letter "U". Students will be able to identify and recognize colors (red, orange, yellow, green, blue, purple, white and black).

As we transition to warmer and sunnier days please remember to apply sunscreen before school.

## THIS WEEK

This past week we learned about planets; what they are made of and even created our own version of a planet. We said goodbye to our butterflies and released them Friday. We also enjoyed our snacks outside and had a picnic!

## DATES TO REMEMBER
