

Ms. Shikany's WEEKLY NEWSLETTER

LEARNING FOCUS

Students will be able to identify and recognize the letters "Aa" and "Bb".
Students will be able to add and subtract using counters.

If your child did **NOT** take a photo at the beginning of the school year with Kids Photography, please send in a current photo of them for their class individual photo in the yearbook!

DATES TO REMEMBER

5/14 – Individual Photos for Yearbook Due

THIS WEEK

This week we reviewed the letters "Aa" and "Bb". We worked on adding and subtracting using blocks as manipulatives.
Everyone enjoyed digging and chiseling gems out of clay bricks this week for our Science activity.
