

Ms. Shikany's WEEKLY NEWSLETTER

LEARNING FOCUS

Students will be able to identify and recognize the letters "Ee" and "Ff".

Students will be able to count to 100 by 1's (with help from a song).

If your child did NOT take a photo at the beginning of the school year with Kids Photography, please send in a current photo of them for their class individual photo in the yearbook!

THIS WEEK

This past week we enjoyed counting to 100 by 1's and 10's. For Science, we learned about force and played water bottle bowling to help us understand this concept. Please read the SMS newsletter regarding details for the last day of school.

DATES TO REMEMBER

Friday, May 28th – No School

Monday, May 31st – No School
